Whether alone or in tandem, kayaking is a great way to enjoy the beauty of the water. With both sit-on and sit-in models in a variety of sizes, we have something to appeal to every kayak enthusiast. We carry kayaks with a variety of features to suit all needs: molded seat backs, bungees for securing cargo, day hatches, etc. All of our sit-on kayaks feature a self-bailing cockpit.

Que vous soyez seul ou en tandem, le kayak est une excellente façon de profiter de la beauté de l'eau.

Avec modèles "sit-on" et "sit-in" dans une variété de grandeur, nous avons de quoi pour tous les amateurs de kayak. Nous avons des kayaks avec une variété de fonctionnalités pour répondre à tous les besoins: dossiers moulés, tendeurs pour l'arrimage des charges, trappes de jour, etc. Tout nos kayaks "sit-on" disposent d'un cockpit auto-videur.

NEW RNG PWC 30" Extension
Designed to attach to your Roll N Go PWC.

Four guide poles help ensure you're lined up with the bunk set.

Choose the bunk set that best fits your boat or pontoon. See next page for details. Pontoon bunk set shown here.

Pads with marine-grade carpeting securely hold your boat without scratching it.

Solid aluminum wheels with bronze bushings that ride on greasable, grade 8 axle bolts for many years of smooth service.

Additional track sections can be added to lengthen your system.

A rail stop keeps the bunk set from dropping off the end of the track.

Spanning rough or uneven terrain is made easy with leg kits.

Use an angle connector when shoreline slope requires it.

The rails are 4" high structural "c" channels made of marine-grade aluminum.

Choose between four winches based on your needs. Shown with optional winch cover.
